

Publisher's Letter

Congratulations to Gene Wengert!

Please join us in recognizing Gene Wengert's recent induction into the MFMA Hall of Fame.

Many readers know Gene from his writing for this magazine as well as from his seminars and training sessions. This award from the Maple Flooring Manufacturers Association honors individuals who have served the industry through a range of accomplishments, including the establishment of mills, the education of architects and specifiers, and the development of innovative milling and installation techniques. Gene's work contributes to the collective legacy of the MFMA, founded in 1897. Congratulations, Gene!
